

# At Peace Action we believe...

THAT WAR IS NOT A SUITABLE RESPONSE TO CONFLICT;

## Connecting the Grassroots

We are a 54 year old organization with members and activists stretching across generations.

With affiliates and chapters in 30 states, our network is connected to the pulse of the American peace movement.

Peace Action and our affiliates work with dozens of allied organizations in Washington and in your community.

Our community organizers tour the country providing training, voter mobilization, and support for activists.

THAT PROTECTING AMERICA MEANS PROVIDING FOR AMERICANS; AND,

## Bringing Your Voice to Power

We work to end the occupation in Iraq; prevent war with Iran; and, promote nuclear weapons abolition.

Congressional Education Days, organized by Peace Action, help you to get on message and in the offices of Congressional Representatives.

Our affiliates and chapters around the country organize in-district visits whenever Congress is out of session.

The information we provide online helps you stay informed and active in your government.

Protests and direct actions, organized with national coalitions, connect you with other activists and show the strength of our movement.

THAT EVERY PERSON HAS THE  
RIGHT TO LIVE WITHOUT THE  
THREAT OF NUCLEAR WEAPONS.
